I hereby authorize Kaiser Foundation Health Plan to review any existing Kaiser Permanente medical records and history of care provided to me or my dependents as members of Kaiser Foundation Health Plan for a period of up to 5 years preceding this application for membership in the Kaiser Permanente for Individuals and Families Plan. This authorization applies to all types of care including the diagnosis and treatment of mental health, alcohol/chemical dependency, HIV, AIDS, or AIDS-related condition, and is limited to information reasonably related to determining my/our eligibility for membership in the Kaiser Permanente for Individuals and Families Plan. I understand that Kaiser Foundation Health Plan will not redisclose any information received through this review except with my written consent or as permitted by federal and/or state laws and regulations. This authorization for review is effective during all times that my/our application and/or eligibility status are being considered. If accepted as a Kaiser Permanente for Individuals and Families member, I further authorize Kaiser Foundation Health Plan, without limitation and including all categories of care stated above, to review my Kaiser Permanente medical records, including pharmacy records, for a period of up to 12 months following my/our actual enrollment and initial usage of services in order to confirm consistency with the information I submitted in this application.

VII. HIPAA ELIGIBILITY QUESTIONNAIRE AND REQUEST FOR ENROLLMENT

Notice to applicants in Kaiser Permanente regions **other than Colorado* and Georgia****:

You may be eligible for Kaiser Permanente individual coverage without medical review. HIPAA (the Health Insurance Portability and Accountability Act of 1996) is a law that guarantees individuals health coverage without medical review if they meet the following five requirements. Please complete this application and return it with pages 1-3 so that your eligibility for individual coverage under HIPAA can be determined. This way, if you do not pass medical review for Kaiser Permanente for Individuals and Families coverage but meet ALL of the following five requirements, you are guaranteed coverage in the Kaiser Permanente HIPAA plan with benefits most like the Kaiser Permanente for Individuals and Families plan to which you applied. If you are eligible, then this document is your offer of guaranteed enrollment in the applicable Kaiser Permanente HIPAA-qualified plan.

Note: We will enroll you in the applicable Kaiser Permanente HIPAA-qualified plan only if you meet HIPAA eligibility requirements, and only if your Kaiser Permanente for Individuals and Families application is declined. If you qualify for both plans, we will enroll you in Kaiser Permanente for Individuals and Families. Both plans will have the same benefits (except in Maryland and Ohio), but Kaiser Permanente HIPAA Plan (KP HIPAA Plan) rates may be significantly higher than Kaiser Permanente for Individuals and Families rates. Information on your specific KP HIPAA Plan rates is available by calling 1-800-464-4000.

***Colorado residents** who do not qualify for Kaiser Permanente for Individuals and Families may be eligible to participate in CoverColorado, a state-sponsored guaranteed-issue health care coverage program. In addition, you may be eligible for CoverColorado now if you have a total of at least 18 months of creditable health coverage without a break in coverage of more than 62 days at any time (including now) and your most recent creditable coverage was under a group health plan. CoverColorado does not impose pre-existing conditions or limitations on coverage. For information about CoverColorado, please contact them directly at:

CoverColorado
420 S. Cherry Street, Suite 160
Denver, CO 80246
(303) 863-1960

****Georgia residents** who do not qualify for Individuals and Families and are not current Kaiser Foundation Health Plan members may be eligible to participate in the state of Georgia Health Insurance Assignment System, a state-sponsored guaranteed-issue health care coverage program in which Kaiser Permanente participates. Please contact the Georgia Office of Insurance and Safety Fire Commissioner at 2 Martin Luther King Dr., Atlanta, GA 30334 or at 1-800-656-2298 to obtain information on this program. Georgia residents who do not qualify for Individuals and Families and who are current Kaiser Foundation Health Plan members can choose to be automatically considered for our Enhanced Conversion Plan, our guaranteed-issue health care coverage program available to HIPAA-qualified individuals. If you wish to exercise that option, please contact our Member Services Department at 1-800-634-4579 to obtain an application. There is no need for you to complete the following questionnaire. Non-Health Plan members must go through the state of Georgia program.
